Attended please find an online booking information sheet. If you have completed a registration form previously for the Banaam Surf Day you may already be registered. If you have difficulty registering or you do not have access to the internet, please contact the school as soon as possible next term and we will assist with the registration.

### When you go online to register you will find:

- There is a fee of $105 on one of the screens. Please disregard this as the program is fully subsidised. If your child is 8 years or under there is a box to tick which states you must be on the beach with your child. I have spoken with the Belen from the Surf Company and it is sufficient for the school staff to be supervising, but if you would like to come along and assist it would be much appreciated.

If you do not wish your child to participate please contact the school as soon as possible as exact numbers are required for coaching and supervision purposes.

**The children are to bring:** Swimmers, Towel, etc.

### Jump Rope for Heart

$460 was raised on our Jump Rope Day. Thank you to all our supporters for sponsoring the children in Jump Rope for Heart. $230 will be forwarded to the Heart Foundation and $230 retained to purchase equipment for the school. Many thanks...a fantastic effort!

### Keep Australia Beautiful Judging

The children did a great job last Friday, presenting our Dreamtime Pathway Bush Tucker track to representatives from Keep Australia Beautiful. We are now in the running for the Keep Australia Beautiful ‘Young Legends Award’. They also judged the work the children have done under the guidance of Kay and Peter from Fingal Coast Care. Many thanks Kay and Peter!

### Planning for 2016

We have started planning for 2016. If you know your child will not be returning to Fingal School next year please notify us as soon as possible.

Kindergarten Orientation morning will be held at the school on Wednesday, 4 November.

If you know of any parents considering enrolling their child next year, please encourage them to contact the school as soon as possible. Out of Zone Enrolment Form are available from the school, applications will be considered as received.

### In2Surf Surf School

Surf lessons start this Thursday, 15 October and concluding Thursday, 19 November. The children will be divided into 2 age appropriate groups and will rotate activities i.e. 1 hour in the water for surf lessons and 1 hour on the beach for surf safety lessons.

The school staff will be supervising the children and the surfing coaches taking the lessons. We would like the help of a few parents to help monitor the children, mainly when they are in the water. If you would like to help, please indicate this to your child’s classroom teacher.

We have applied for and received a grant through the Sporting Schools Program and the In2Surf Company have applied for a grant to cover the balance of the program for our school. Therefore this is a free program for our students.
