KHS CAPA Year 5 Transition Program

Students in Year 5 have been invited to participate in the Kingscliff High School Creative and Performing Arts production. Our Years 5 students have been given an itinerary with full details of the workshop which will be held this Friday, 22 May at Kingscliff High School.

Launch into Life for Year 6

On Thursday, 18 June our Year 6 students will be going to the QLD Academy for Health Sciences, at the Griffith University.

Students, staff and parents are invited to participate in a program of interactive workshops. Learn about future career options, going to university and why it's important to do your best at school.

A bus has been organised for this day, departing from Kingscliff High School at 9.00am and returning by 3.00pm. Miss Kirk will be supervising the children and there is no cost for the day.

Our Year 6 students received an information note last week. Please return the signed Permission and Media Consent forms to the school tomorrow. Please indicate on the form if you would like to attend with your child.

Reminders……..

NSW Health-Free Dental Assessment for Kindergarten

On Thursday, 4 June clinicians from the Northern NSW Local Health will be visiting the school.

On this day our Kindergarten children will have the opportunity to have their teeth assessed free of charge. No treatment will be provided on this day. The day is designed to be an introduction to future dental visits.

If parents would like their child to have their teeth assessed at school, they will be required to fill in a consent form. We will send these home as soon as we receive them.

Following the visit a letter will be sent home with each child to advise parents of the results.

Murwillumbah Festival of Performing Arts

Please ensure your child is practising his/her item for the Murwillumbah Festival at home.

Could you please supply Mrs Marshall with a copy of your child’s item as soon as possible. If you are having difficulty choosing an item please contact the school for some suggestions.

2016 Enrolments

If you know of any parents considering enrolling their children in 2016, please encourage them to contact the school as soon as possible.

Out of Zone Enrolment Forms are available from the school and application for next year will be considered by 18 September and parents contacted soon after.
